Sweat Lodge

Tentative times are posted at the Sweat Lodge site and at Coffee Dragons, subject to ceremonial considerations. We expect to run Sweat Lodge Ceremony mid-day Thursday-Saturday, generally on the earlier side. Lodge is available to all, but we will be making special accommodation for Families and Children to participate on Saturday. **There will be specific COVID-19 Mitigation protocols in place. [See also Page 12.]**

If you have any questions or concerns please see **Kurt Griffith, Walter Weaving Eagle** or **Otter**.

*Drum 'N' Splash's schedule is always subject to last minute changes, ceremonial time, acts of mischievous gods, brilliant and/or desperate improvisations, and **the blessed weather!** Specifically this year we had to assemble and prepare Drum 'N' Splash with an exceptionally short timeline, as Bedford County was only cleared to events this size as of June 5. We had to do a lot of scrambling and improvisations, and some presenters are unable to attend.

So everything is *very much subject to change* and making things up as we go along. Nothing but gratitude for everyone's hard work, flexibility and bearing with the moving target that is life with Coronavirus! Drum Safe! *Ashe!*
